

Invitation letter and program

Hike inside the magic room of ideas for rainforest-protection

The developer-Event we hold online on **October 27, 2025**. (Entrance open 15 minutes before start)

- 9:00 AM – 12:00 PM (Central European Time/Berlin Germany MEZ)
- 3:00 PM – 6:00 PM (Indonesian time of Jakarta)
- 4:00 PM – 7:00 PM (Indonesian time of Palu)

This meeting aims to bring together experts, stakeholders, and enthusiasts to discuss the feasibility, design and development of a treehouse hiking project in Lore Lindu National Park, Indonesia. The event will feature presentations, group discussions and networking opportunities to foster collaboration and innovative ideas.

Key Topics of the Meeting:

- Introduction to the project and its vision
- Success stories of treehouse hikes in Germany
- Technical aspects of treehouse and traditional hut construction
- Group brainstorming sessions on design, hiking paths, and digital solutions
- Presentation of ideas and upcoming events

Featured Speakers:

- Tobias Weißenmayer & Frida Sintah (Project Leaders and Moderators)
- Christopher Eichhorn, Ismet Khaeruddin, and Naufal Abdillah (GIZ representatives)
- Roland Schindler (Government certified tree-inspector of Germany)
- Simon Weißenmayer (Expert in Kybernetics and Treehouse designs)
- Ariko Andikabina (Archery Constructions)
- Representatives from Indonesia and Germany specializing in traditional construction

This meeting is an excellent opportunity to contribute to a unique ecotourism project, share expertise, and connect with like-minded individuals. We look forward to your participation and collaboration in making this vision a reality!
